An easier option is to move, clasped hands CCW, then CW.

THE FINISH:

On the last time on Section B, instead of the ½ paddle turn with hip rolls, make a full paddle turn. This will bring you to the front wall.

There is a big Boom sound right after the last 8 on Section B. Just put your palms together, knees apart & slightly bent and hold.

This dance has an Indian touch! It's easier then it looks. Look out for video clip.
