Intro: 13 Counts.

The intro is tricky, start counts as soon as music starts, 1 to 8, then count, 45678 & that will get you to start at the right spot. Or that silent count is your count 8, then begin.

Restarts: Happen on Walls 2, 5 & 7 at the same spot, after 12& counts of dance.

The Finish: You finish perfectly, facing the front wall, with L foot touching out to L side, on the Kickball Touch and hold that pose!

Enjoy-----
