RESTART – At the wall 4 and 9. (very easy)

At the 4th recovery (facing 9:00), you make only the first 16 counts and you start the dance again from the beginning (facing 3:00).

When Aaron said "truck stop" that wants to say that it remains to make 2 times the complete dance before the 2nd Restart.

At the 9th recovery (including the first Restart) (facing 3:00), you make only the first 8 counts and you start again the dance from the beginning (facing 3:00).

RESTART THE DANCE AND HAVE FUN ...
